

Quitskills and IQEP SA/NT

2020

Quitskills for Maternal Health Workers Training Course

- 2018 Smoking During Pregnancy Pilot
- First 6 months of the pilot, conducted as a single competency course in SA, NT & Qld
- From July 2018 onwards, delivered as three-competency course nationally
- Currently considering offering both options

Quitskills Maternal

- Total of 22 courses delivered to Dec 2019
- Delivered in three parts:
 - Online learning module
 - Two days of training and assessment
 - Workplace project and men's group

Quitskills Maternal

Three tobacco cessation units of competence:

- Assess readiness for and effect behaviour changes
- Provide information on smoking and smoking cessation
- Provide interventions to clients who are nicotine dependent
