# NBPU TIS Update & Response to COVID-19 (Working at a distance)

Desley Thompson  
Manager - NBPU TIS

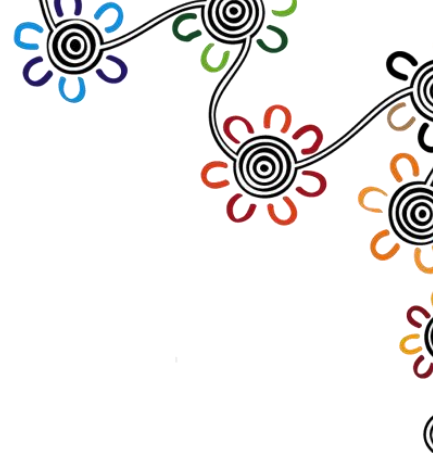

# WORKING DURING COVID-19

## COVID-19 Survey (April 2020)

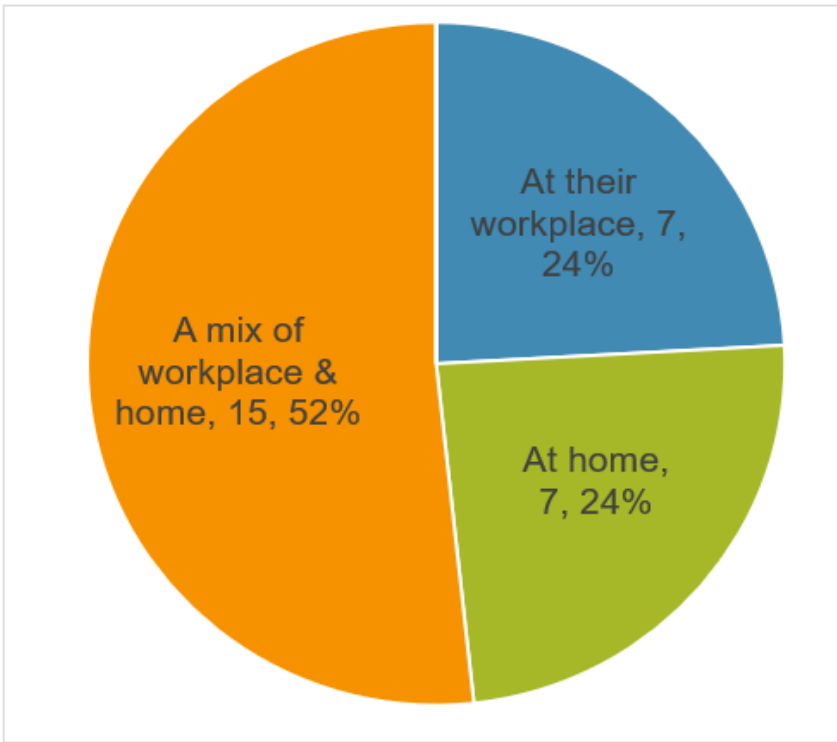

- How COVID-19 was affecting your work
- What was the best way for us to maintain contact with you
- How can we support you from a distance

# COVID-19 Survey results

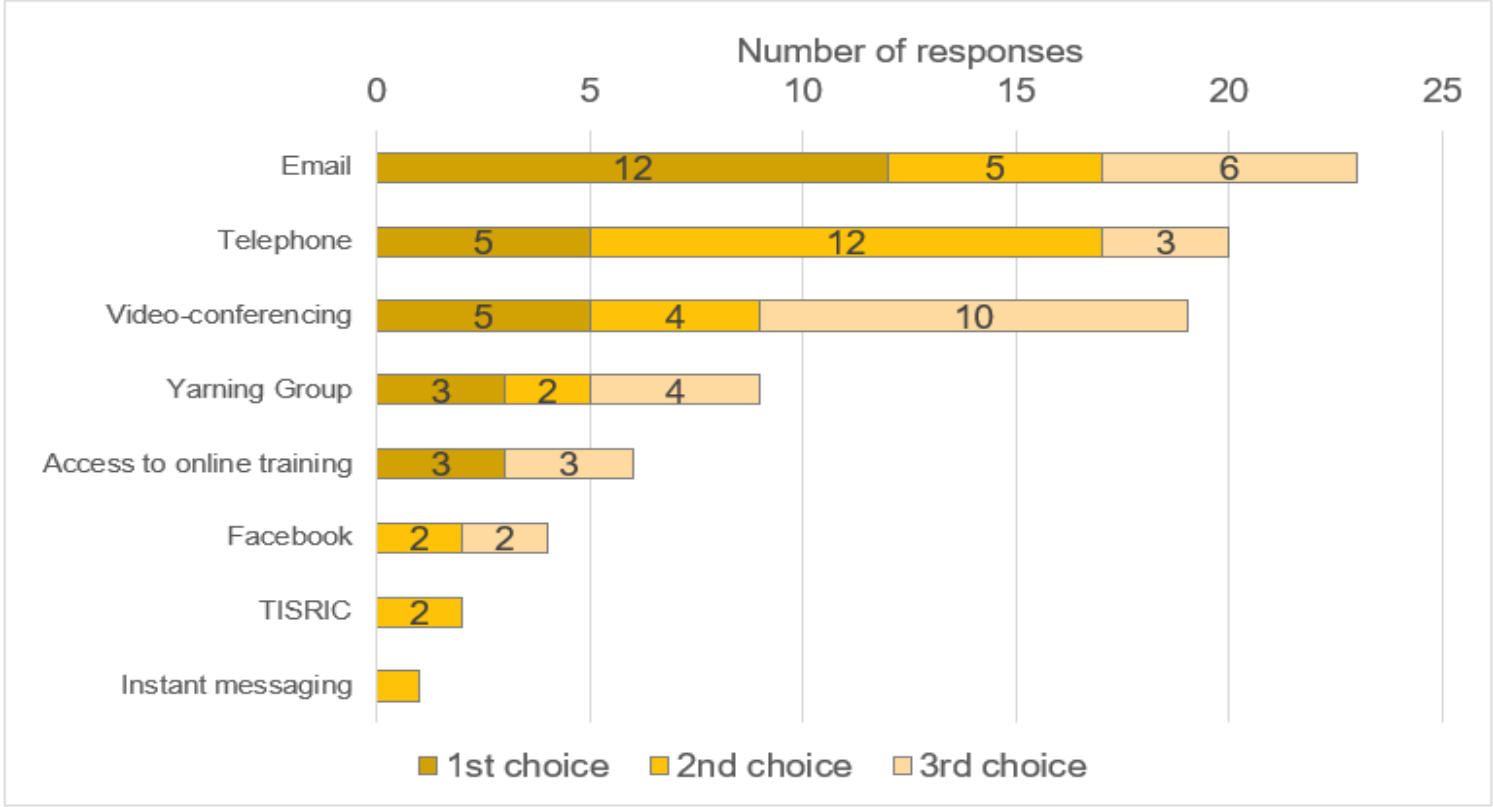

Where are TIS Teams currently working?

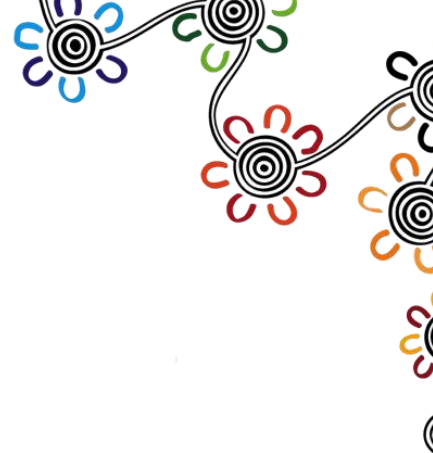

# COVID-19 Survey results

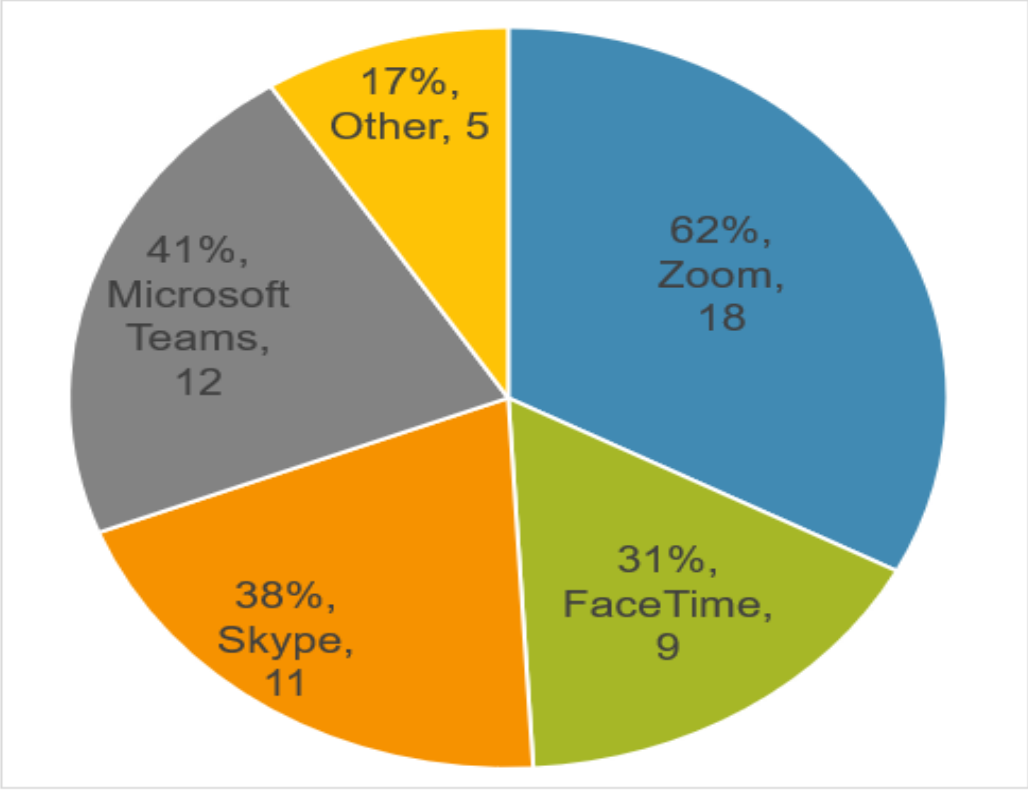

The best way for the NBPUs to provide support at a distance is ...

# COVID-19 Survey results

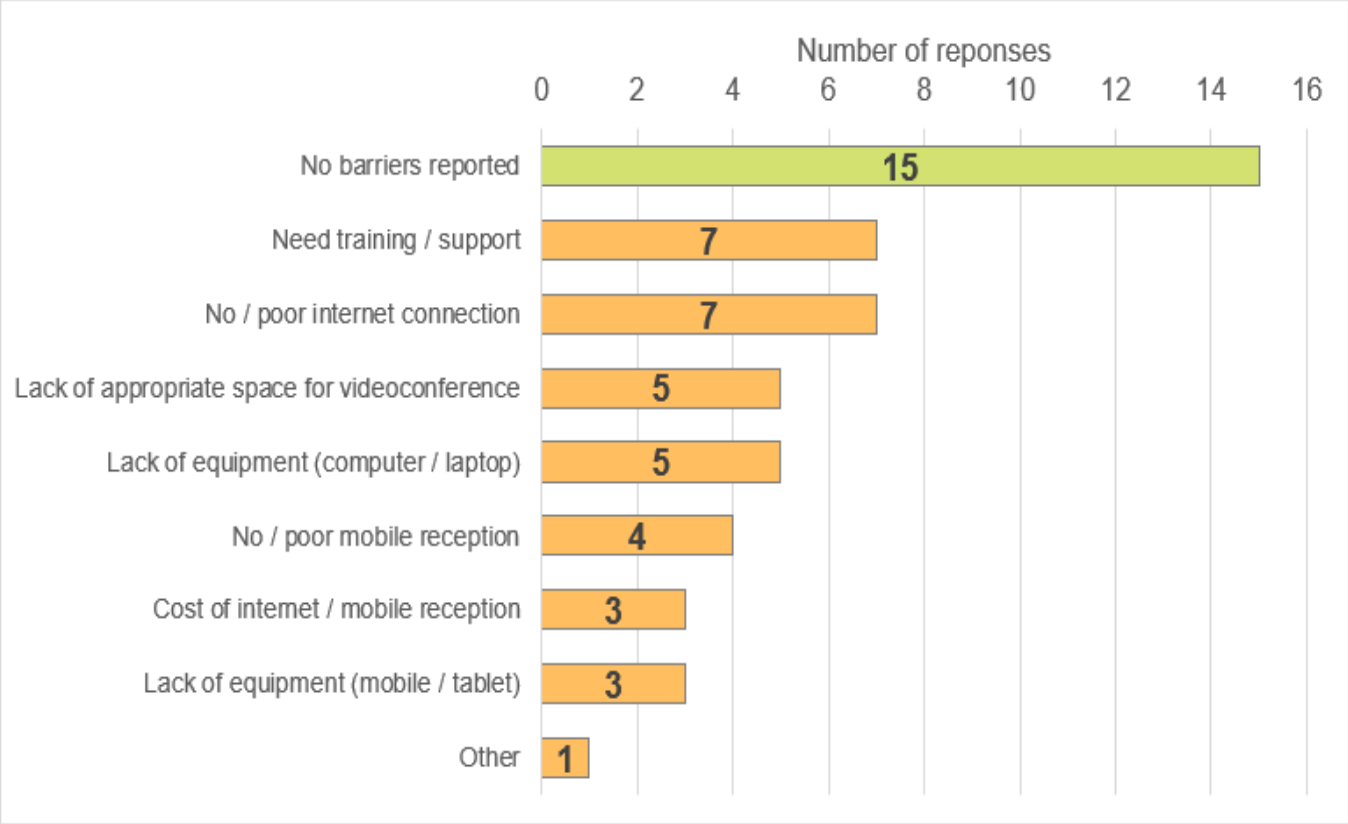

What videoconferencing software does the TIS team have access to?

# COVID-19 Survey results

TIS Team barriers to using videoconferencing

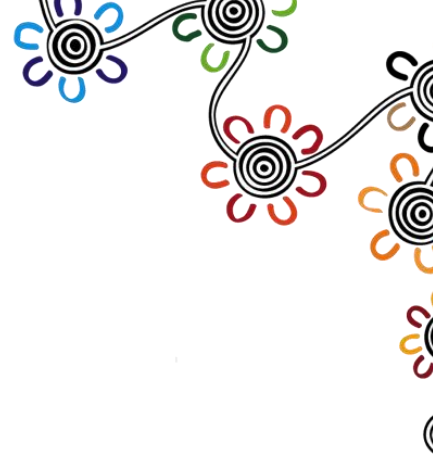

# RESOURCES TO ASSIST YOU

The screenshot shows the website [tacklingmoking.org.au](http://tacklingmoking.org.au). The main navigation menu includes: ABOUT, TISRIC, TIS TEAMS, and WORKFORCE INFORMATION. The main banner features the title "TACKLING INDIGENOUS SMOKING" and the tagline "Providing support to organisations funded under the national Tackling Indigenous Smoking program". The Australian Indigenous HealthInfoNet logo is also present. A secondary banner for COVID-19 Coronavirus provides updates and information to support the community. A search bar is located below the banners. The footer contains information about the Tackling Indigenous Smoking Resource and Information Centre (TISRIC) and an Acknowledging Country statement.

# NATIONAL TIS WORKERS YARNING GROUP

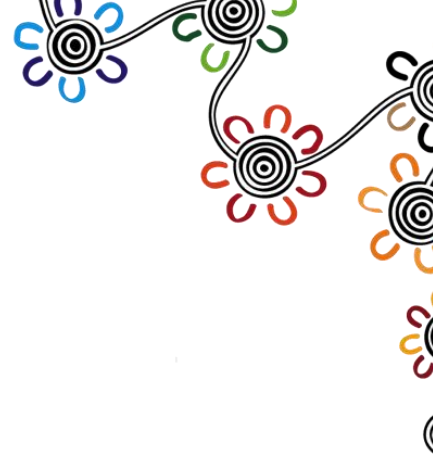

**join  
now!**

# WHERE TO FROM HERE?

- Continue to plan and facilitate TIS Workshops
- Develop resources
- Continue to promote and moderate the National TIS Workers Yarning Group
- Maintain connections with the TIS Teams
- Promotion of the Aboriginal Community Researcher
- Work through feedback from the Survey results
- National Remote Servicing workshop – Darwin (TBC)
- Keep relaying the message to the teams – “We’re still here for you”
