# Our Impact!

# What people thought about the display – video

# Yarning session

- The TIS team run a yarning session about second-hand smoking
- We run an activity that illustrates how far can smoking travel

# Yarning session – video

The bottom of the slide is decorated with traditional Aboriginal art. On the left and right sides, there are stylized figures or paths. Each figure has a circular head with concentric rings of teal, white, and brown. The body of the figures is a wavy line filled with a brown and white hatched pattern. The background at the bottom is a solid orange-brown color. In the bottom right corner, there is a small, stylized figure with the number '13' inside its body.

# SHOUT OUT TO THE NBP FOR THEIR AMAZING WORK!!

ANYINGINYI'S TIS TEAM WOULD LIKE TO ACKNOWLEDGE ALL THE EFFORTS OF THE NBP FOR SUPPORTING OUR TIS TEAM AND FOR ORGANISING THIS AMAZING EVENT.
