Why a café format?

The World Café is a format developed to support conversations to answer questions that matter.

It is built on the belief that:

- people have the wisdom and creativity to confront even the most difficult challenges;
- the answers we need are available to us;
- we are *Wiser Together* than we are alone.

Today's Menu

Starters

A delightful gathering of TIS workers old and new. This assorted group have a range of experiences they are ready to share. Following the etiquette of our Nation to Nation café, we anticipate stimulating and powerful conversations.

Main Course

Today's entrée has been marinated overnight to ensure a question that will satisfy the biggest appetite. Its really something to get your teeth into. Its so good that you will want more than one helping!

Dessert

We will come back together to share a rich mix of insights and ideas. A taste of the collective wisdom of our collaborative conversations.
