NBPU TIS ARTWORK AND LOGO

It's not enough to be busy, so are the ants. The question is, what are we busy about?

– Henry David Thoreau

Supporting Funded Organisation

- The Health Data Portal: a new system for reporting
- Rounding up the roadshow
- Site visits
- Training for teams
- Jurisdictional workshops

How many roadshows & site visits have we done over the past year?

0

✓ 52

80

6

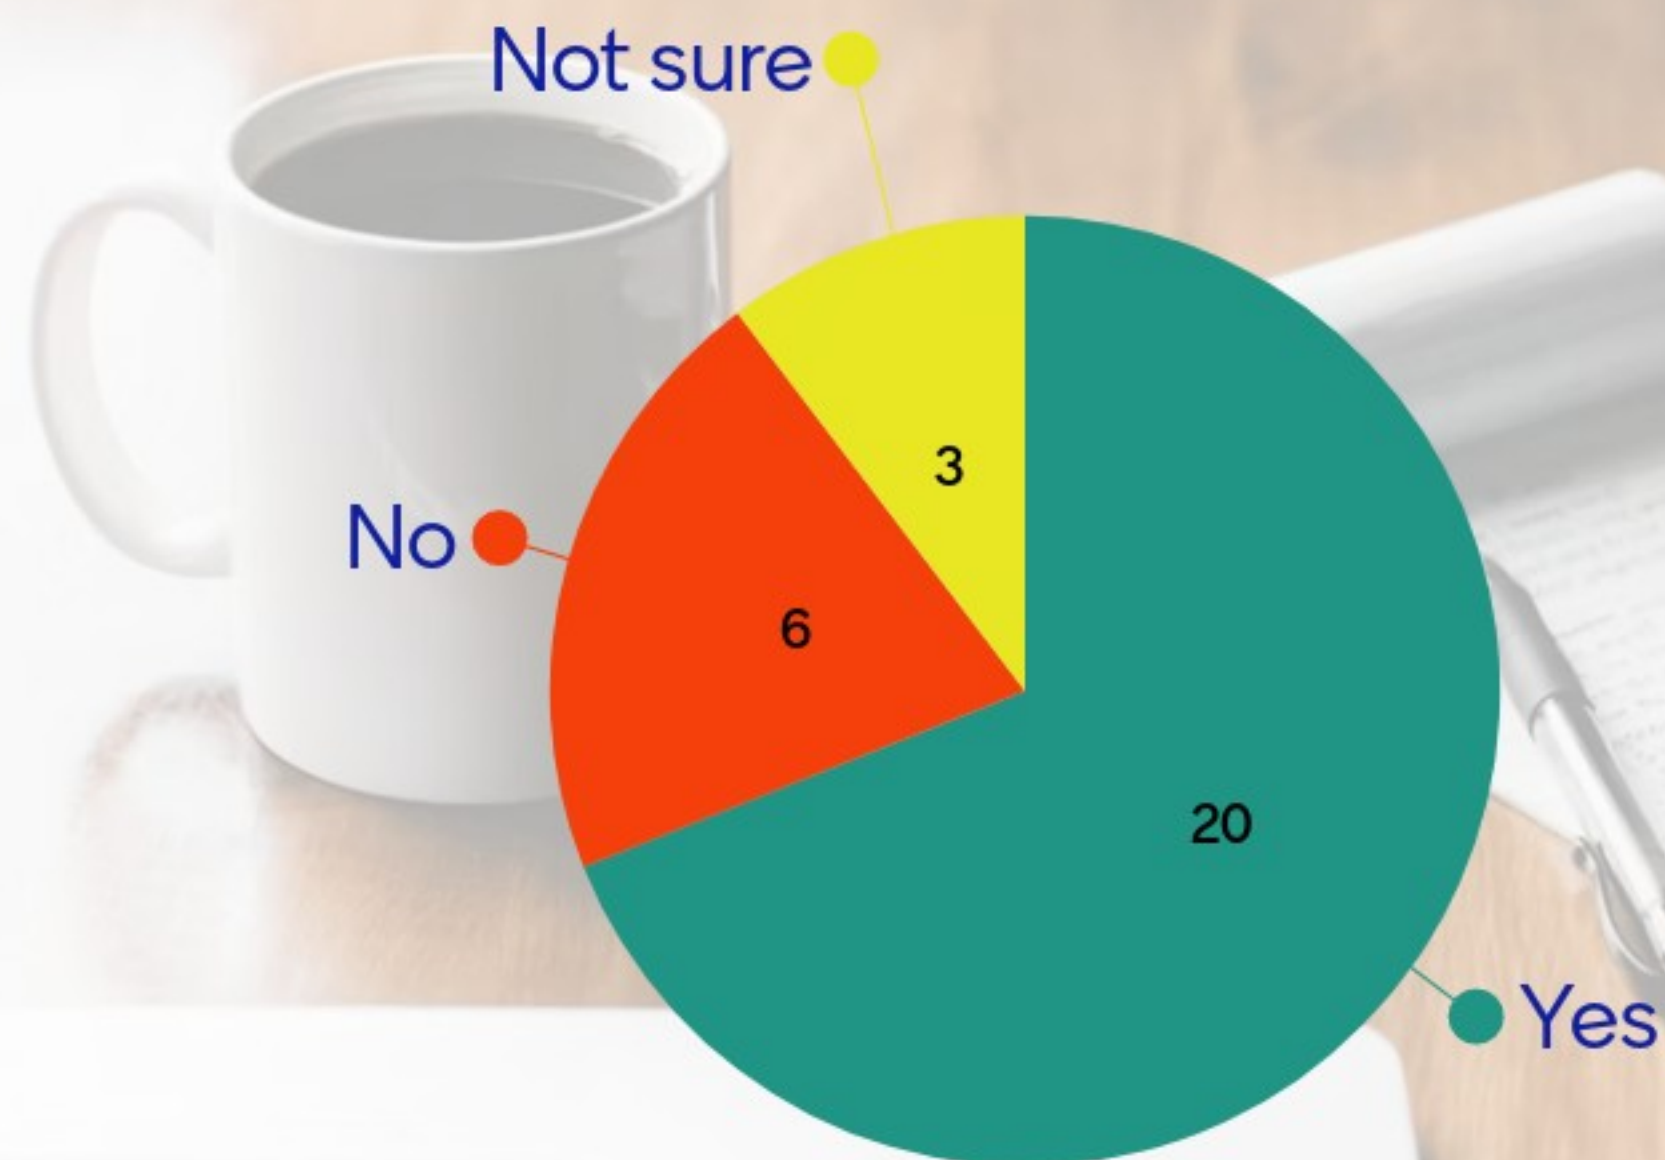

30

Over the past year, whose organisation has had (or is currently planning) a visit from NBPU for TIS team training?

Did you know we also have online training that your teams can access for free?

Online training is in addition to the website

The TIS website is where you can find:

- Induction Pack
- Workforce development information
- Evidence of what works
- Evidence reviews by Connie the Clever Cockie
- Team activities

Aerona | Lung Foundation Australia

Citation

This resource package, consisting of three short animations and an accompanying factsheet, has been developed to help young First Nations people better understand how vaping can affect them, the people around them and the environment.

Resources

Vaping one third of the way smart
An infographic titled 'Vaping one third of the way smart' showing statistics on vaping. It includes a green bar chart and text stating 'Vaping is not safe' and 'Vaping is not smart'.

Choose vape free for Country: vaping and the environment (30 sec)
A poster featuring a woman standing on a beach, with a large cigarette forming the coastline. The text reads 'Choose vape free for Country: vaping and the environment'.

Choose vape free for you and me: health harms of vaping (30 sec)
A poster showing a person's head with a large, glowing red brain, symbolizing health harms. The text reads 'Choose vape free for you and me: health harms of vaping'.

Resources

Choosing to be vape free (30 sec)
A poster showing two people holding up a large, glowing cigarette, symbolizing the choice to be vape free. The text reads 'Choosing to be vape free'.

Information

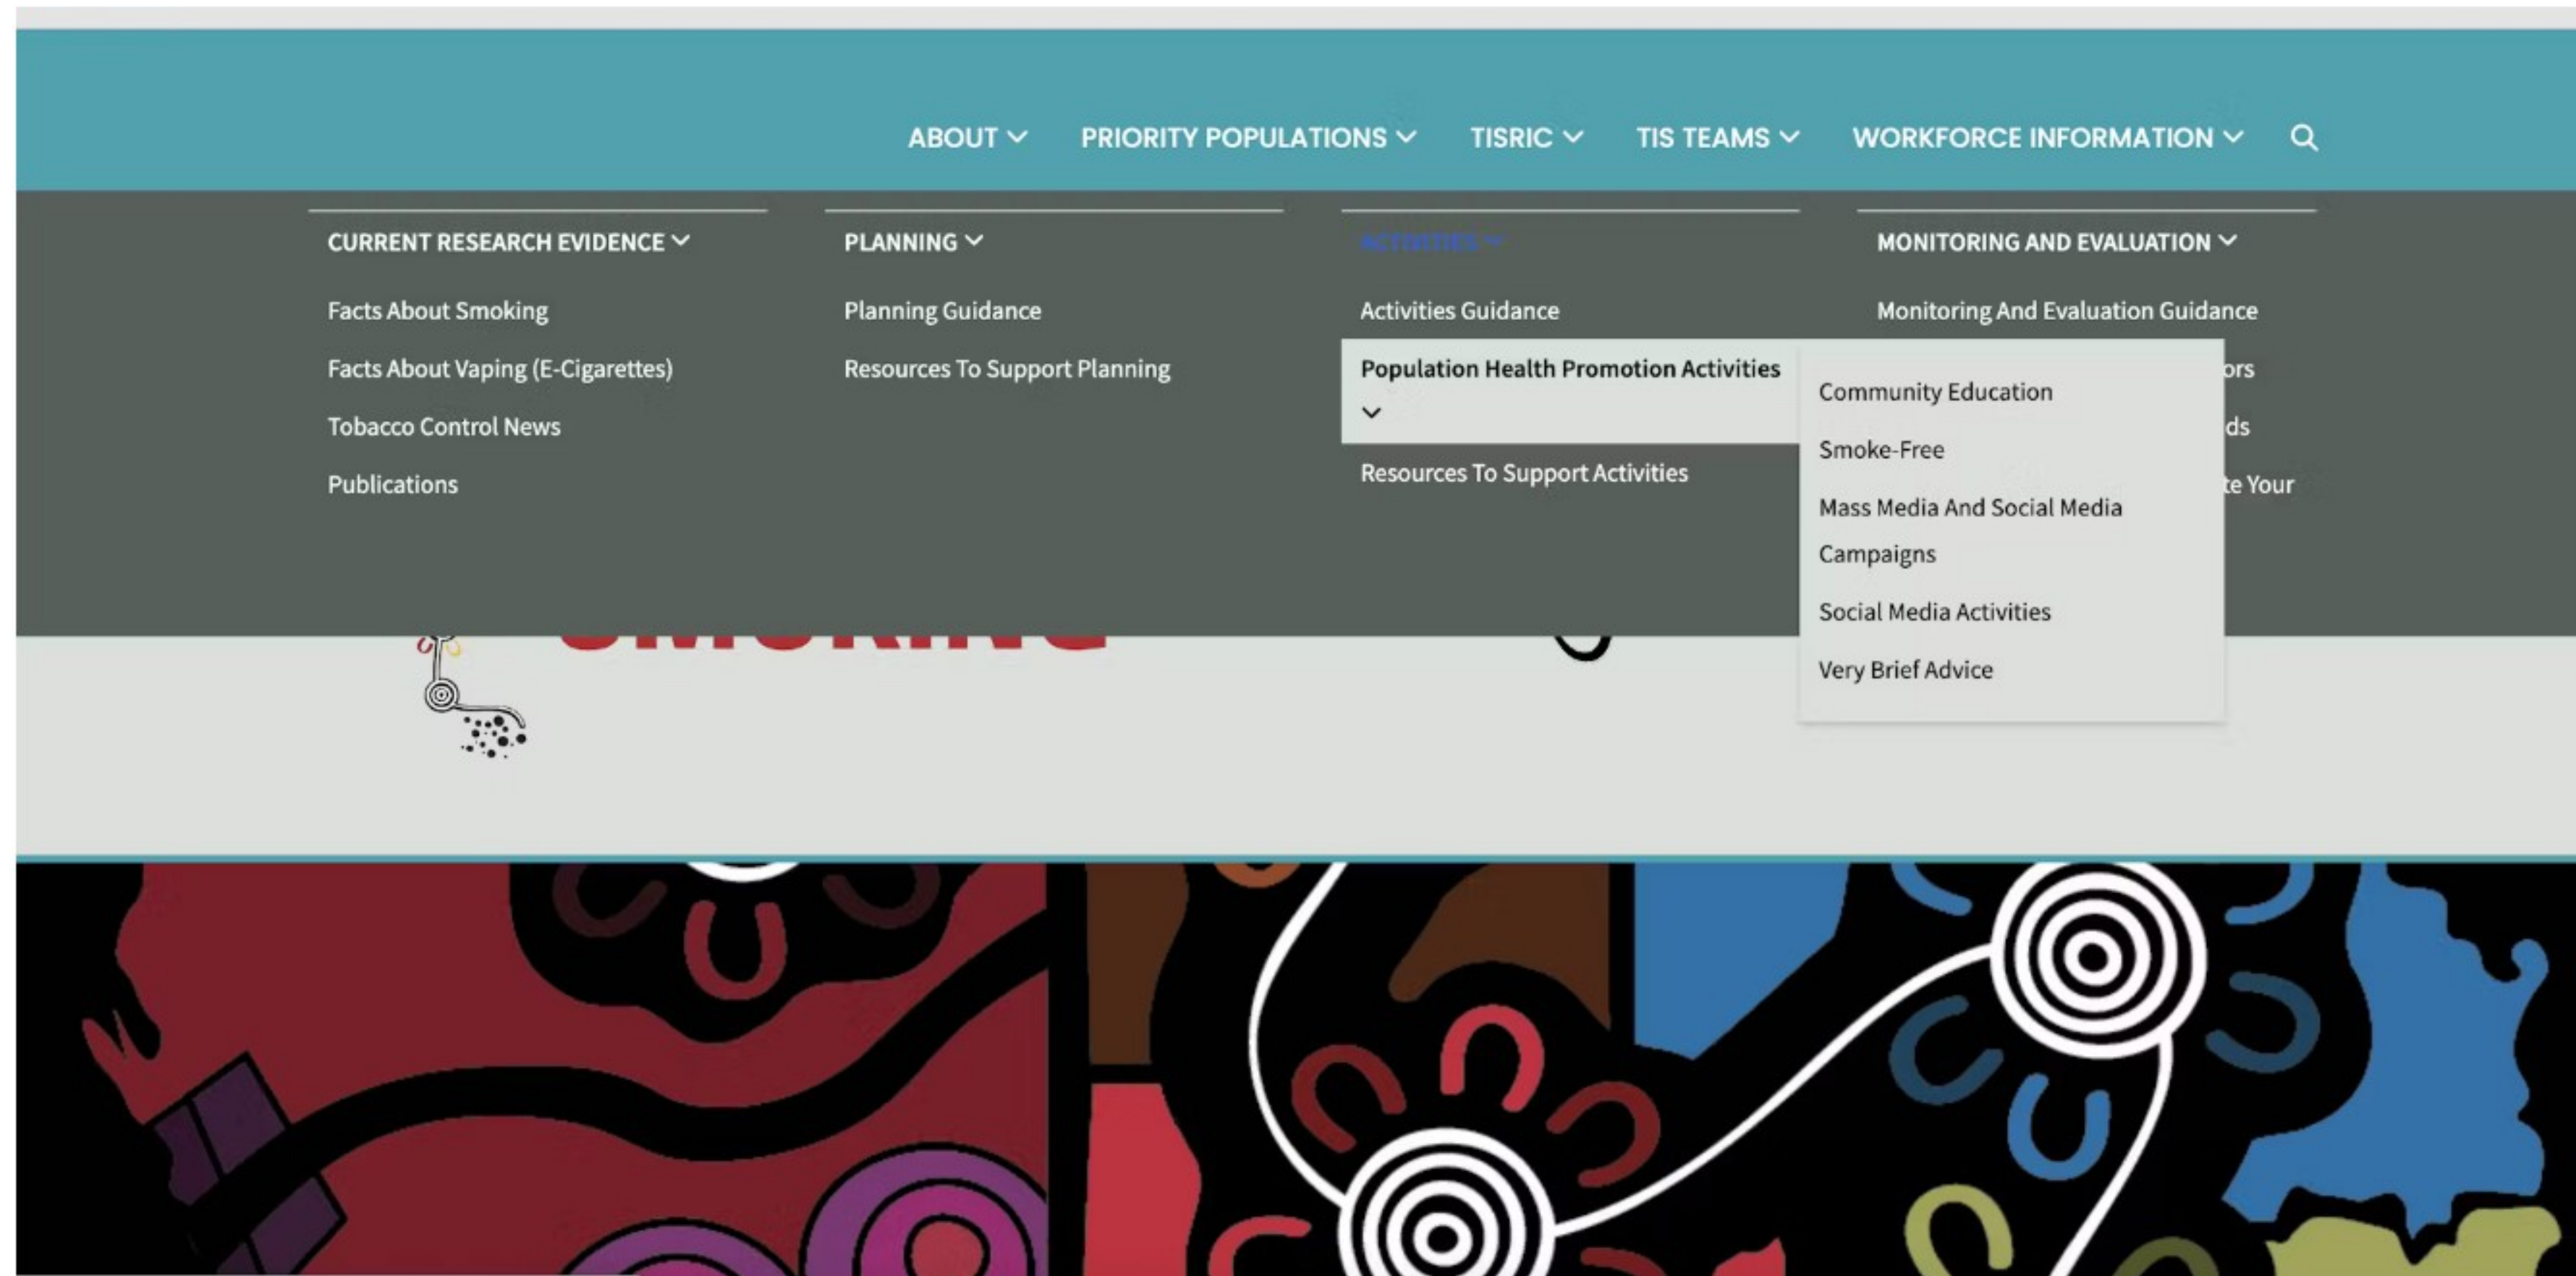

First Nations
A poster titled 'First Nations' with a green background and white text. It includes the text 'First Nations' and 'Lung Foundation Australia'.

First Nations: Lung Foundation Australia
A poster titled 'First Nations: Lung Foundation Australia' with a green background and white text. It includes the text 'First Nations: Lung Foundation Australia'.

Websites

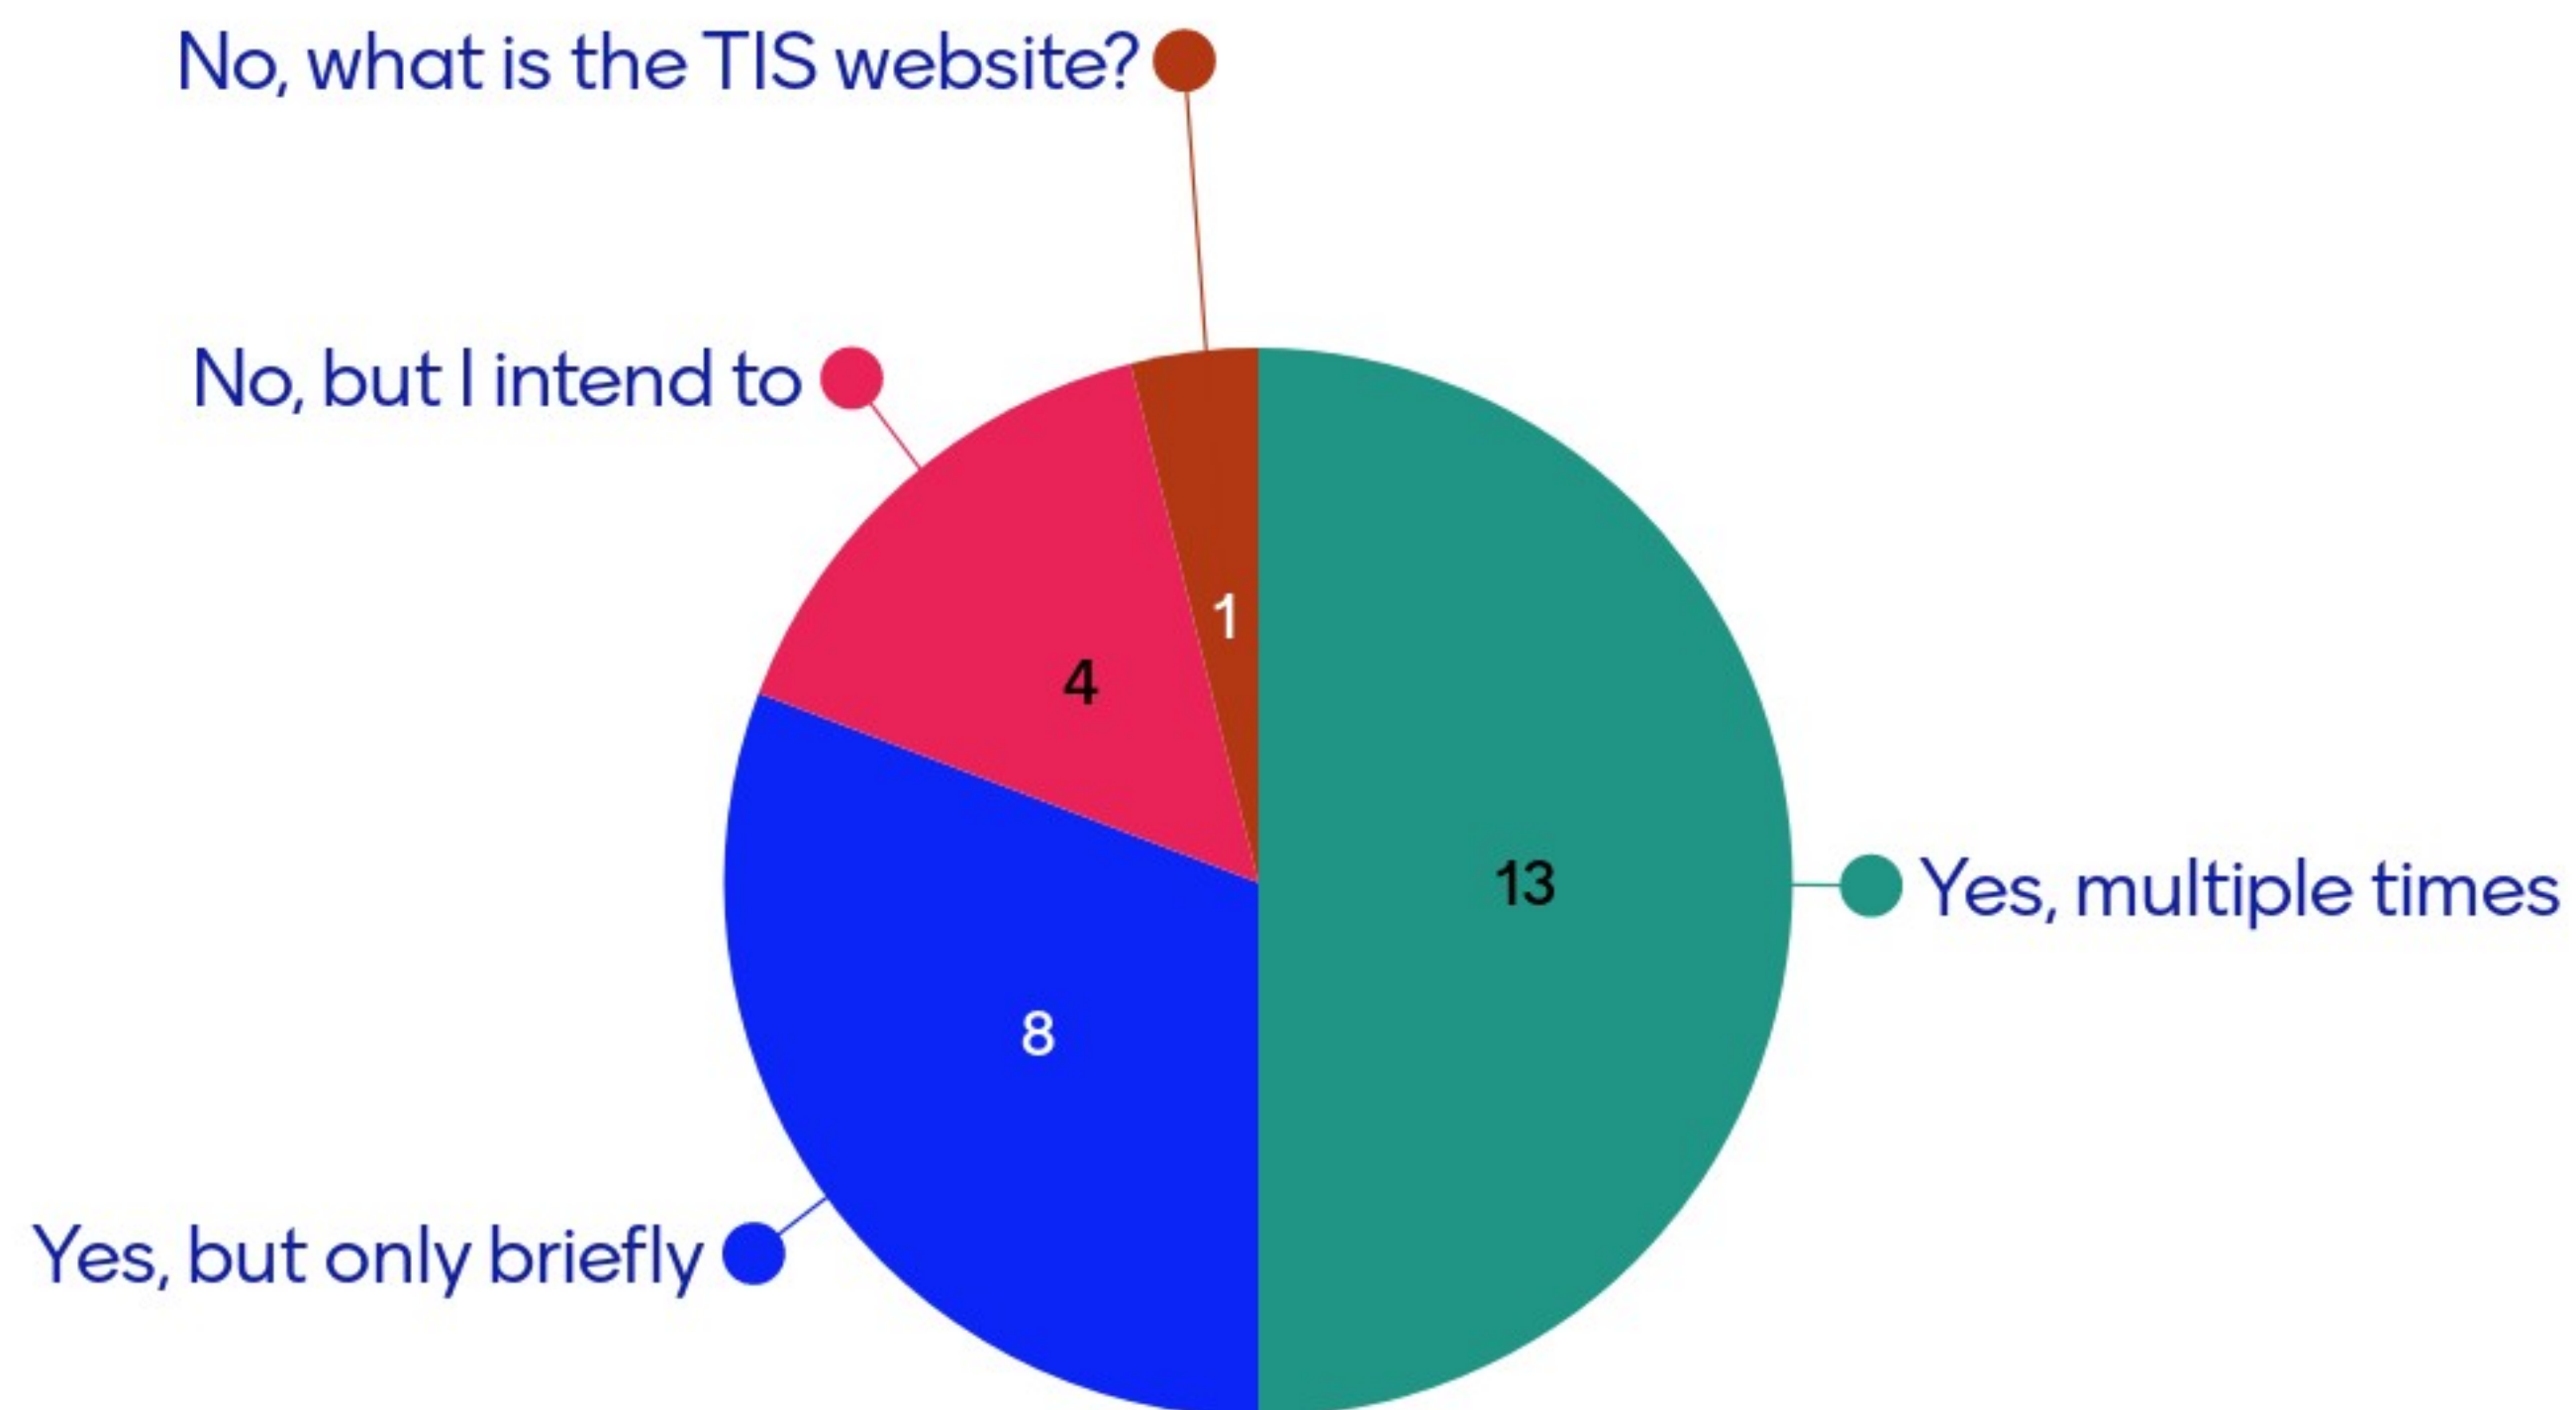

Lung Foundation Australia
A website thumbnail for the Lung Foundation Australia, showing a person in a white protective suit and mask. The text reads 'Another one fights the dust'.

Includes many best practice resources developed by TIS teams

What are we doing about vaping?

- Training for POs
- Rolling out a training package to teams
- Updating resources: factsheets, videos and website information

What else can we do to support you and your TIS team over the next year?

33 responses

How can you support your TIS team over the next year?

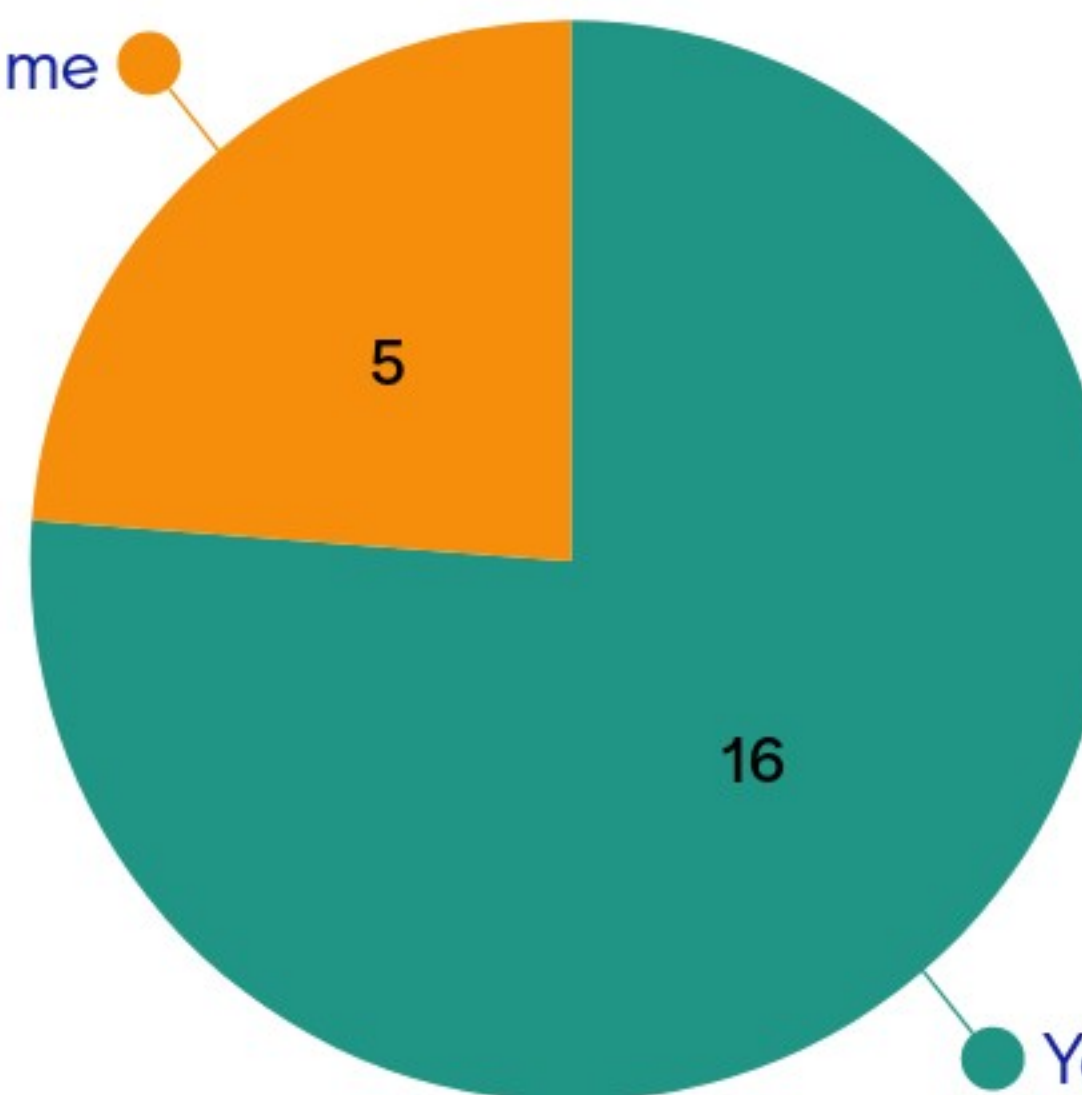

42 responses

Did you know what NBPU TIS has been up to over the past year?

No this was all new to me

Yes, I had heard about most things
